

TSP CONFERENCE

February 06, 2023

Day at a Glance

The Art and Science of Teaching

University of Colorado, Denver

<https://www.ucdenver.edu/>

Main Room

Terrace Room, Lawrence Street. Center, 2nd floor. 1380 Lawrence St. Denver 80204

The 14-story Lawrence Street Center is home to the School of Public Affairs, which offers a bachelor's program in Criminal Justice and many graduate programs. The Graduate School, which offers nearly 60 programs and advanced masters and PhD degrees. In addition, you'll find the School of Education & Human Development and the Office of International Affairs, which handles international student admissions and study abroad opportunities. Many administrative offices for the university are also located in Lawrence Street Center, including offices of the university's chancellor and provost. This is a CU Denver exclusive building.

Breakout Rooms

CU Denver Building 1250 14th St, Denver, CO 80202

The CU Denver Building is home to the College of Architecture and Planning, the only college in Colorado offering comprehensive programs in the design and planning of the built environment, from undergraduate through accredited professional masters degrees to

the doctorate. Departments within the College of Liberal Arts and Sciences also hold classes here. Inside the building, you will also find 3-D digital animation labs. The main floor lobby regularly exhibits student work. This is a CU Denver exclusive building.
